Grundeigentümer

Projektverfasser

This architectural section drawing shows a cross-section of a house. The roof is gabled with a pitch of 33.7° on both sides. The internal layout includes a living room (Zimmer) with a fireplace, a kitchen (Küche), a bathroom (Bad), a technical room (Technik/Waschen), and a garage area (Untergeschoss). The floor levels are indicated as follows: Estrich +5.44, Dachgeschoss +2.80, Erdgeschoss ±0.00 = 846.30 m U.M., and Untergeschoss -2.80. The drawing also shows the terrain profile and the building's footprint on the plot.

This architectural elevation drawing shows the North-East facade of the house. The roof is gabled with a pitch of 33.7° on both sides. The facade features a central entrance with a small porch and a large window. The floor levels are indicated as follows: Estrich +5.44, Dachgeschoss +2.80, Erdgeschoss ±0.00 = 846.30 m U.M., and Untergeschoss -2.80. The drawing also shows the terrain profile and the building's footprint on the plot.

This architectural elevation drawing shows the South-East facade of the house. The roof is gabled with a pitch of 33.7° on both sides. The facade features a central entrance with a small porch and a large window. The floor levels are indicated as follows: Estrich +5.44, Dachgeschoss +2.80, Erdgeschoss ±0.00 = 846.30 m U.M., and Untergeschoss -2.80. The drawing also shows the terrain profile and the building's footprint on the plot.

This architectural elevation drawing shows the South-West facade of the house. The roof is gabled with a pitch of 33.7° on both sides. The facade features a central entrance with a small porch and a large window. The floor levels are indicated as follows: Estrich +5.44, Dachgeschoss +2.80, Erdgeschoss ±0.00 = 846.30 m U.M., and Untergeschoss -2.80. The drawing also shows the terrain profile and the building's footprint on the plot.
