Bauherrschaft & Grundeigentümer

Projektverfasser

Architectural elevation drawing of the North facade (Nord) of a house. The drawing shows a two-story building with a flat roof and a small extension on the left. Dimensions include a total width of 10.50m and a height of 2.72m for the main section. The ground level is marked as 'Terrain gewachsen' and 'Terrain neu'. The drawing is labeled 'Fassade Nord' and '1:100'.

Architectural elevation drawing of the East facade (Ost) of a house. The drawing shows a two-story building with a gabled roof and a small extension on the left. Dimensions include a total width of 10.50m and a height of 2.72m for the main section. The ground level is marked as 'Terrain gewachsen' and 'Terrain neu'. The drawing is labeled 'Fassade Ost' and '1:100'.

Architectural elevation drawing of the South facade (Süd) of a house. The drawing shows a two-story building with a flat roof and a small extension on the left. Dimensions include a total width of 10.50m and a height of 2.72m for the main section. The ground level is marked as 'Terrain gewachsen' and 'Terrain neu'. The drawing is labeled 'Fassade Süd' and '1:100'.

Architectural elevation drawing of the West facade (West) of a house. The drawing shows a two-story building with a gabled roof and a small extension on the left. Dimensions include a total width of 10.50m and a height of 2.72m for the main section. The ground level is marked as 'Terrain gewachsen' and 'Terrain neu'. The drawing is labeled 'Fassade West' and '1:100'.
